To admit patients, perform histories and physicals, order diagnostic tests, request consultations, provide consultations within the scope of your privileges, use all skills normally learned during medical school and residency and render any care in a life-threatening emergency or as requested by the Clinical Administration should there be a physician crisis in the facility.

You are expected to practice within the bounds of your training and competence and should not attempt to treat cases, which are not in your scope of practice. Newly developed treatment modalities are not included in this request and must be cleared by the Medical Executive Committee and Governing Board before their performance. Please become familiar with the capabilities and limitations of this facility.

I understand that in making this request I am bound by the applicable bylaws and/or policies of Lakeview Surgery Center and hereby stipulate that I meet the threshold criteria for this request. I also certify that I have knowledge to operate all the equipment necessary to carry out requested procedures.
