

Lakeview Surgery Center – West Des Moines, IA

Lakeview Surgery Center has an opening for a full time Operating Room Registered Nurse to join our team. We are looking for a responsible and compassionate RN with excellent clinical skills, a caring attitude and the ability to work independently with minimal supervision. It is also important that this person will be able to display excellent verbal and written communication and interpersonal skills.

The essential functions of the position are:

- Completes documentation to assure an accurate record of patient's care.
- Performs assigned patient care duties relating to administration of anesthesia under the direction and supervision of the anesthesiologist.
- Recognizes basic parameters of vital signs, blood pressure, EKG readings, and oxygen saturation readings.
- Utilizes critical thinking in making independent judgment and maintains responsibility for the knowledge of conditions of assigned patients.
- Demonstrates the ability to consistently meet the surgery center work schedule.
- Consistently delivers high quality care demonstrating knowledge and clinical skills of the specialty required on assigned unit in accordance with established policies and procedures and standards of care.
- Demonstrates initiative to improve quality and customer service.
- Assist the patient to the OR; assume responsibility with the team for the comfort and safety of the patient, check surgical consent, verify procedure and operative site. Accompany patient to the post-anesthesia unit/discharge unit and give report to RN.
- Observe and assure that sterile technique is maintained and proper handling of specimens. Perform sponge counts. Maintain the operating room in a neat, orderly and safe fashion.
- If scrubbing, prepare the necessary instruments and supplies for the case. Anticipate and assist the surgeon's needs; give constant attention to the wound. Discard all sharps properly and safely.
